## COMPLETION OF VOLUME THE SECOND,

### PREFACE.

"Bring your music forth into the air :—  
\* \* \* \* \*  
Here will we sit, and let the sounds of music  
Creep in our ears ;"

*Shakespeare.*

TWENTY-SIX weeks are soon passed when the mind is actively employed; it seems but the other day that the first volume of the Glee-hive was completed, and now a second volume demands a few prefatory words. On re-reading what was said in January last, it is a grateful reflection to find that we have been enabled to fulfil the hope there expressed of regularity in producing our weekly Glee or Madrigal.

Material has been prepared for yet another volume, from which new pleasure may be anticipated when long autumn evenings make our weekly Glee-hive a welcome novelty at Music-practice. In the mean time, we trust our two completed volumes will be found valued companions at the summer ramble or pic-nic, when the well-remembered favorites of last winter's rehearsals shall serve to awaken the echos in some shady resting place.

The following Gleees and Madrigals are now published :—
